New markets, sustained growth

We are a small team in Spain and Chile, working with manufacturers from Spain, Italy and the Netherlands and with clients across Europe and Latin America — many of them exporters.

WHAT WE SUPPLY

Solutions for your line

Packaging lines
Machines that form, bag, fill, close and palletize your boxes.

Converting & graphic arts
Automation for bookbinding, print finishing and board converting.

Hot-melt gluing
The adhesive and the equipment that applies it, matched.

Packaging materials
Boxes, protection, strapping and films to secure every shipment.
